

FUEL ADDITIVE APPLICATORS – Your solution to treating fuel

Warranty

Provided by Towai Technologies, New Zealand – www.towai.co.nz

Towai Technologies Limited (Vendor) warrants that the Fuel Additive Applicator (Applicator) is free from defects in workmanship and materials on purchase under normal use and service provided that the Applicator has been stored, installed and used in accordance with normal industry practices and conditions. If the Applicator is defective in workmanship or materials within the terms and conditions specified below, it will be repaired or replaced at the Vendor's option without charge on return to the Vendor within 12 months from the date of purchase. Repair, replacement or refund of the purchase price is at the Vendor's option, and is the Vendor's exclusive remedy.

This warranty is only given to the original Purchaser of the Applicator and is void if the Applicator has been:

1. Damaged by negligence or accident after purchase;
2. Used other than for the purpose for which it is intended to be used for;
3. Opened up, worked on, adapted or repaired other than by the Vendor or an approved service representative;
4. Used without following operating and maintenance instructions provided by the Vendor; or,
5. Added onto or used with other goods which may affect the integrity, performance, safety or reliability of the Applicator.

The Vendor does not give any warranty with respect to parts or components of the Applicator that the Vendor does not manufacture or any defects or damages caused by parts or components that the Purchaser supplies; provided, however, that the Vendor shall use commercially reasonable efforts to obtain the warranties from its vendors and 'pass through' those warranties to the Purchaser to the extent that its vendors permit the same.

This warranty is given in place of all other warranties and assurances, whether expressed or implied, included but not limited to matters of quality, fitness for purpose or merchantability, and the Vendor accepts no liability, under any circumstances whatsoever, for any consequential damage or loss suffered by anyone as a result of using or being unable to use the Applicator.

This is a standard limited warranty on parts only. Reasonable labour may be included subject to prior written agreement. Replaced parts are warranted for the balance of the original warranty period. All parts removed in the replacement process are the Vendor's property.

All Applicators for repair under warranty must be returned freight paid to the Vendor, or to such other place as the Vendor may nominate, unless other arrangements are agreed to. Following repairs or replacement the Applicators will be returned to the Purchaser freight paid.
